Partner Spotlight:

California Association of Area Agencies on Aging

The [California Association of Area Agencies on Aging \(C4A\)](#) is a nonprofit organization representing California's 33 area agencies on aging and is the leading voice on aging issues in California.

The association is an advocate for meeting the needs of the elderly and adults with disabilities. Issues range from working on policy initiatives that benefit older persons, making transportation and meals available to older adults and helping caregivers find support and services.

C4A and its members provide programs that enable older Californians to live independently for as long as possible.
